Rebuilding Tour

We hope to offer a Rebuilding Tour of New Orleans on the Friday afternoon of the conference, and possibly again on Sunday evening. Please reserve a spot by including it with your registration.

I am interested in going on a Rebuilding Tour of New Orleans.

Post-Conference Work Week

We are organizing a work week for interested participants to immediately follow the conference weekend. Volunteers will help rebuild a local business and may also offer technical assistance to a startup worker co-op. Please check here if you are interested in staying for the work week. We will contact you with more details and a separate signup process. Signing up here is not a firm commitment, just an expression of interest.

I am interested in staying for the Work Week (June 23-26, 2008)

A limited number of travel subsidies are available for those traveling from far away with significant travel costs. All requests will be reviewed by the conference planners. SPONSOR A FELLOW PARTICIPANT

We have kept registration fees low to make it possible and likely for low-income workers to attend. We could not offer this benefit without the support of those with greater means. If you can afford to pay more than the base registration fee, we strongly encourage you to do so. Check below to sponsor a worker to come to the conference.
