
USFWC Labor Trade Dues Payment Proposal 2011

US Federation dues may be up to half with labor trade (valued at \$25/hour). Labor trade agreements must be made at the commencement of membership and fulfilled by the end of the membership year. These agreements are approved by the Membership Committee, and are subject to annual review. Please fill out the following form to request labor trade dues payment. Labor trade is not available to first-time members or to individuals.

USFWC member: _____

Date of Proposal: _____ Total # of hours proposing for labor trade: _____

Please write the number of hours you propose next to each task, or check all tasks for which you are available.

USFWC General Volunteer Work

- _____ Clerical/data entry (enter conference evaluations and other data, stuff envelopes, etc.)
- _____ Phone calls (conference reminders, solicit raffle items, etc)
- _____ Research project (state incorporation laws, technical assistance needs, etc)
- _____ Translation/interpretation (translate documents to Spanish, assist with event interpretation)
- _____ Web presence (increase USFWC web presence via social networking sites, test USFWC website)

USFWC Project Work

- _____ Worker Coop Document Library (solicit documents, organize/scan existing documents)
- _____ Democracy at Work Directory (research listings, verify current data)
- _____ News letter (help put together newsletter, solicit and/or write articles, remind about deadlines)

Technical Assistance

- _____ Be available for referrals from those in your area or industry
_____ Name of person who will handle these referrals
- _____ Help review and develop how-to documents
- _____ Assist with specific cooperative development projects as requested by USFWC

Outreach

- _____ Set up table at relevant events with USFWC literature
- _____ Organize an event to educate the public about worker cooperatives, or workshop at a relevant event
- _____ Organize a gathering of local/regional cooperatives in your area

OTHER (we welcome your suggestions and ideas):
